ADMIN RECORD

PERMIT MODIFICATION SUMMARY

This document is submitted as a Class 1 Permit Modification requiring prior approval from the Colorado Department of Health pursuant to 6 CCR 1007-3 100.63(a). The modification incorporates previously approved changes to the Environmental Restoration Interagency Agreement milestone schedules in the Corrective Action Requirements Section of the State RCRA Permit for Rocky Flats Plant. Changes to the milestone schedules are shown in bold and strike-out.

Please note that extension requests have been submitted for Operable Units 1, 8, 10, 12, 13, and 14, but they have not yet been accepted. In addition, the stop work order currently in effect for Operable Units 2 through 7 and recently lifted for Operable Unit 1 will significantly impact all the milestone dates for these Operable Units.
